Beginning with the October 9, 2012 issue of The Falmouth Outlook our subscribers and newsstand buyers will be getting coupon books in the newspaper. These are the coupon books similar to the ones that are in the Sunday Enquirer.

This is just another service that we pledge to give our subscribers and newsstand buyers added value with our newspaper.

What better way for our children to learn about early life in our county and how our pioneers got their food and where their clothing came from than watching heritage demonstrations at the Kentucky Wool Festival. They can visit the sheep tent and see how sheep and their wool were an important part of that life.

Sheep-a part of the early heritage of our county

By Karen Hyden

Some things never change and sometime that can be a good thing, such as with the Kentucky Wool Festival. It's grown and it's even been sanctioned as Kentucky's official wool festival, but the homespun and homegrown flavoring has not changed since it first began in October of 1983. From its simple beginnings within the city of Falmouth to its expansion at its new home near Kincaid Lake State Park the pure delight of it continues year after year.

In the beginning and still today there are a few simple goals the Kentucky Wool Festival folks attempt to accomplish each year which include, but are not limited to: holding an annual event that takes place the 1st full weekend every October; being unique; promoting sheep, wool products, and the local community; having heritage demonstrations going on throughout the festival; offering activities for all age groups and maintaining a family oriented atmosphere; providing an opportunity for community and school organizations, crafts people, and individuals to raise money as an alternative of door to door sales or fund raising drives; entertaining the public by providing an environment where the people can meet, have fun, hear live music, and learn about our history.

With nearly three decades of celebrating our community in a fun and safe environment it's hard to imagine the small beginning of what has grown into a gathering of as many as thirty thousand people. When a small group of interested citizens met in January of 1982 to discuss the idea for a local festival Pendleton's history set the theme for it's becoming the Wool Festival. At one time Pendleton County was known for its sheep production and was among Kentucky's leaders in sheep productions. In 1945 there were 9,461 head of sheep in Pendleton County on 305 different farms. In 1987, there were 750 head on eight farms. A history that comes to life each year at the Kentucky Wool Festival.

One of the Wool Fest's most popular attractions is the sheep dog demonstration. Alan Miller of Miller's Border Collies present's herding demonstrations. These dogs receive hours of training to respond to their master's command and are fascinating to see perform. Another highlight is watching George Buerer shearing the sheep. There is also wheel spinning, drop spindling, knitting, crocheting, weaving on a cardboard tapestry loom, wet felting, carding, combing, needle felting, spinning and knitting with silk

hankies, weaving on a triangle loom, fiber harvest and animal care. There will be all sorts of goodies for sale including: Raw, washed, processed fleeces from all breeds of fiber animals, including sheep, alpacas, goats, llamas, rabbits, Dyed roving and yarn, natural yarns. Spinning, weaving,

Falmouth man sentenced to 10 years for manufacturing methamphetamine

A Falmouth, man with several prior drug convictions was sentenced on September 27, 2012 to 10 years in prison for manufacturing methamphetamine.

U.S. District court Judge David L. Bunning enhanced 47-year-old Gary Gregg's sentence because he qualified as a career offender. A career offender is someone with two previous violent or drug felon convictions. Gregg has multiple prior convictions related to methamphetamine.

Gregg admitted that he manufactured methamphetamine at his home in Falmouth while on supervised release from a previous conviction.

Gregg pleaded guilty to the charge in May of 2012. Under federal law, Gregg must serve 85 percent of his prison sentence, and, upon release, will be under the supervision of the United States Probation Office for six years.

The U.S. Attorney's Office, U.S. Probation Office and the Pendleton County Sheriff's Office jointly announced the sentence.

The investigation was conducted by the United States Probation Office and the Pendleton County Sheriff's Office. The U.S. Attorney's Office was represented by Assistant U.S. Attorney Robert K. McBride.

Historical Society opens Fryer House

The Pendleton County Historical and Genealogical Society invites the public to visit Fryer House between 10 a.m. - 4 p.m. , October 6-7.

Fryer House is located on the northeast corner at the intersection of KY 177 and US 27 in Butler across the street from Northern Elementary School.

Watch for the signs directing you. Stop by and explore all the things that are available chronicling the history of Pendleton County.

Penny Conrad will be available to sign the Pendleton County book by Arcadia Publishing.

Tell us about your haunted home or place

We will be doing something a little different this year as the Halloween season is upon us. Are there any homes, old buildings or other places in Pendleton County that are haunted? We'd like to hear the story.

Write the story down and tell us what goes on there. You can e-mail the article to: news@falmouthoutlook.com, mail it to: The Falmouth Outlook, P.O. Box 111, Falmouth, KY 41040. Deadline to have the article in is Tuesday, October 16. If you have questions call the office at (859) 654-3332.

Sheriff's Office has shootout at Sportsman's Club

The Pendleton County Sheriff's office held a Trap and Shoot event this past Saturday, September 29 at the Pendleton County Sportsman's Club at Butler.

The Trap and Shoot was a fundraising event to raise money to help take an underprivileged child shopping at Christmas. All of the proceeds went to this

fund. This was the first event of this kind for the sheriff's office and they plan on doing more of these in the future.

The Sheriff's Office wished to extend a big thanks for all of the sponsors who helped make this event successful, thanks to those who gave of their time to help out, on a Saturday afternoon and to thank the Sports-

man's Club for letting them have the event there.

A friendly competition shoot out was held between the Sheriff's Office deputies and some of the members of the Pendleton County Sportsman's Club. "The Sportsman's Club sharp shooters busted more clay pigeons than the Sheriff's Office" said Chief Sheriff's Deputy Todd Dennie.

Hareware Russ will be spinning his stories at Wool Fest

The KY Wool Festival is coming and HarewareRuss will tell a story at the festival. The KY Wool Fest is one of the premier fall festivals in our state. The crafts, food and entertain-

ment are selected with a goal to provide something of interest to everyone. The Kentucky Tourism Council has selected the Kentucky Wool Festival as one of our commonwealth's "Top Ten" fall events.

Here is a link that provides more information about the festival: <http://kywoolfest.org/index.html>.

Conrad, a local business-

man, will be telling his stories on Friday, October 5, 2012. He will be sharing a story at the Pavilion Stage beginning at 2:30. Conrad has written a new series of stories and this will be his first presentation of these memories. He thinks you will enjoy the stories and maybe remember a few of your good times from the past.

New license plate encourages Kentuckians to 'Support Kentucky's Libraries'

A new Kentucky license plate gives drivers the opportunity to show their support for libraries. Kentucky Department of Libraries and Archives Commissioner Wayne Onkst recently presented the "Support Kentucky's Libraries" license plate

to Gov. Steve Beshear and First Lady Jane Beshear.

"Kentucky's public libraries welcomed more than 20 million visitors last year who checked out more than 30 million books and other items," said Gov. Beshear. "It's clear that Kentuckians

love their public libraries, and now they have another way to show their support."

The new plate is available at any county clerk's office with a \$25 application fee. At the time of issuance, an optional \$10 can

Fall Craft Ideas

Nutty Boats

Set sail with this quick and easy craft - *From FamilyFun Magazine*. Hold a regatta on your tabletop with these simple walnut ships whose colorful leaf sails come courtesy of the fall season.

Materials

- Walnut shell
- Leaf
- Twig
- Clay

Total Time Needed: 1 Hour

Instructions

For each, you'll need an intact half of a walnut shell (see our tip below).

Thread a leaf onto a twig for a mast and a sail. Secure the mast to the inside of the shell with a small ball of clay.

Tips:

To open a walnut without breaking the shell (an adult's job), hold it steady on a cutting board, insert the tip of a flathead screwdriver or a butter knife into the flat end of the seam, and carefully pry the halves apart.

Seeking Boone, Pribble, Bryan, Hitch and Cox relatives

My name is Nan Gillies Lower and I am a descendent of James Pribble (1762-1852), a Revolutionary War Patriot who settled in Kentucky and lived in Bourbon, Bracken and Pendleton counties. I am also a descendent of the Boone, Bryan, Hitch, and Cox families who moved to Kentucky in the 18th and 19th centuries and lived in the same areas. I am planning to visit Kentucky for the first time in the

summer of 2013 and would like to locate relatives, close or distant, who may be descendents of the same families. Ancestor names include William, Samuel R., and Sylvester Pribble, Emma N. Hitch, Elizabeth and Mary Boone, Sarah S. Bryan, and Rebecca Cox. Please contact me if you think you might be related to me and I will provide the names of my ancestors with birth and death

dates so that we can determine how we are connected. I would also like to help organize a family reunion, or if one is already planned, would love to join the festivities. You can contact me by email nan.g.lower@gmail.com or by writing to me: Nan Lower, 189 Perry Avenue, Norwalk, Ct. 06850. I look forward to hearing from you!

By virtue of a Judgment and Order of Sale of the Pendleton Circuit Court rendered August 20, 2012, in the above action, I shall proceed to offer for sale at the Pendleton County Judicial Center at Falmouth, Kentucky, to the highest and best bidder at public auction on October 4, 2012 at the hour of 10:00 a.m., the following described property:
 Property Address: 5481 Highway 22 West, Falmouth, KY 41040

Situated in Pendleton County, Kentucky, and being Tract #3 of the Mitchell Land Division - Linville Keith Mitchell Property, as shown on Plat Slide 82 of the Plat records of Pendleton County, Kentucky.

Being the same property conveyed to Jeffrey L. Edwards, his heirs and assigns forever, married, from Linville Keith Mitchell and Loleta Mitchell, husband and wife, by deed dated May 10, 1996 and recorded May 16, 1996, in Deed Book 197 and Page 639, in the Office of the Clerk of Pendleton County, Kentucky.

This property is being sold to produce the sum of \$174,737.31, together with interest at the rate of 5.500 percent per annum from June 14, 2012 until paid; plus late charges, advances for taxes and insurance, and Plaintiff's costs herein expended, including a reasonable attorney fee in the amount of \$1,150.00 and for any other fees expended for services performed in connection with the defendant's default and for the purposes of protecting Plaintiff's interest in the property and its rights under the mortgage instrument. The property shall be sold upon the following terms and conditions:

- 1) The purchaser shall be required to pay ten percent (10%) of the purchase price on the date of the sale, to apply on the purchase price;
- 2) The balance of the purchase price shall be due and payable, in cash or certified funds, within sixty (60) days from the date of sale;
- 3) The purchaser shall be required to execute a bond, with good and sufficient surety thereon for the unpaid balance of the purchase price, said bond to bear interest at the rate of twelve percent (12%) per annum from the date of sale, until paid;
- 4) The purchaser shall have the privilege of paying all or any part of the purchase price or paying said bond before maturity by paying the balance of the principal, together with all accrued interest thereon;
- 5) The purchaser shall be required to assume and pay any and all ad valorem taxes on the subject property for the current year, and all subsequent taxes;
- 6) The purchaser shall be required to purchase fire and extended coverage insurance on said improvements from the date of sale until the purchase price is paid in full to the extent of the court appraised value of said improvements or the unpaid balance of the purchase price, whichever is less, with a loss clause payable to the Master Commissioner of the Pendleton Circuit Court or the Plaintiff herein.
- 7) The subject property shall be sold free and clear of all liens and claims of any party to this action, except restrictions and easements thereon appearing of record in the Pendleton County Clerk's Office, if any;
- 8) Possession of the subject property shall be given to the purchaser upon confirmation of Commissioner's sale, and the Defendants or any persons claiming through them shall have vacated the premises by that time; and
- 9) Said property shall be sold subject to:
 - a) Assessments for public improvements levied against the subject property,
 - b) Existing zoning ordinances, statutes, laws or regulations;
 - c) Any facts which an accurate survey or inspection of the property may disclose.

Bidders will be prepared to comply with these terms.

OPINION

Bill Adkins running for Congress in next election

Bill Adkins is a father, family man, small business owner and proud American. He was raised in Eastern KY coal country and worked hard to get a college education. He held down many different jobs until finally graduating from law school. It is that struggle that adds to his passion to make sure our middle class remains strong and our children have access to affordable education and opportunities.

Bill believes America's middle class has long been under assault by special interests. Middle class citizens don't have paid lobbyists protecting their interests – billion dollar corporations do. Without a strong middle class, the nation can't survive. Bill will work for solutions to help defend and rebuild America's middle class.

Bill will fight to protect Social Security and Medicare for our seniors. He believes that we must stop the radical agenda that calls for balancing our budget on the backs of our seniors, an agenda that would deny seniors and children necessary health care, an agenda that would deny seniors

peace of mind and security.

Bill Adkins will fight to protect veterans' benefits, provide and improve health care and mental health services for service men and women.

Higher education is one more component in a successful economy. More investment in facilities for training and education in technology, medical fields, manufacturing, welding and trades is necessary to develop a skilled and ready workforce. There are opportunities for good jobs throughout the 4th District, but we must provide our citizens the training for the skills they need to take advantage of those opportunities.

Adkins has been a member of the Grant County Democratic executive committee for 12 years, and he has chaired the committee from 2008 to present. He has made a career out of working hard and building a small business—not your typical Washington politician.

He is a fighter who will protect Medicare and Social Security, maintain services for veterans,

Bill Adkins

will help insure children have access to quality medical care and a good education. In addition, his mission is to address the economy, maintain infrastructure, fund education and promote job creation. Bill Adkins will protect your interests in Congress. For more information, please visit Bill Adkins' website at www.BillAdkinsCongress.com.

LEGISLATIVE PERSPECTIVE ON KENTUCKY GENERAL ASSEMBLY WITH TOM MCKEE

Representative Tom McKee

In a state like Kentucky, it doesn't take a long drive to find something fun to do outdoors, especially during this time of year. With options ranging from hunting and fishing to visiting one of our many

festivals, the toughest choice is often deciding which activity to do first.

One area that has seen tremendous growth in recent years is agritourism. We now have almost 340 farms open to the public, and they're not only boosting economic development locally; they're also promoting homegrown products and serving as a teaching tool for many students who otherwise would never see a working farm up close.

Earlier this year, the General Assembly passed a new law designed to increase the number of these farms by giving them greater liability protection as long as they take proper precautions to keep the public safe. When Indiana passed a similar law last year, it saw more than 100 farms apply for an agritourism permit.

A related farm program is seeing considerable success as well. "Kentucky Proud," which the General Assembly created more than a decade ago to better market our agricultural products, now has about 3,300 members, and sales have already reached \$250 million a year.

"Kentucky Proud" covers such things as produce and other items

like Christmas trees. Many stores now sell this brand, and there are trucks under way for Wal-mart to soon join them.

The state has helped "Kentucky Proud" by setting aside about \$10 million from agriculture's portion of the tobacco settlement, and last year I sponsored a law that has our state parks doing more to promote and use these products.

Farmers markets are giving farmers another major avenue to earn a living. During a meeting this summer of the Interim Joint Committee on Agriculture, which I am proud to co-chair, we learned that these markets are found in 101 of our 120 counties, and sales jumped from \$7.6 million in 2008 to more than \$10 million last year. The media recently reported that Lexington's market is the eighth largest of its kind in the country.

For those wanting to learn more about what Kentucky offers, there are several websites worth visiting. KentuckyFarmsAreFun.com has information on agritourism, while KyProud.com has a breakdown of "Kentucky Proud" products and vendors. Although not a state website, KyFestivals.com gives information on the festivals held around the state.

If you are among those who hunt and fish, or if you just support those who do, you will soon be able to strengthen that right on Election Day, when voters will have the opportunity to approve a constitutional amendment to ensure these rights are treated uniformly across the state.

These outdoor sports and other

wildlife-related activities have a tremendous economic impact. The Dept. of Fish and Wildlife estimates it at \$3 billion annually, and says they are the foundation for 34,000 jobs as well.

Many other states have taken similar votes in recent years. While Vermont's amendment was included in its constitution way back in 1777, the other 12 states have passed their amendments since 1996. Tennessee, South Carolina and Arkansas were the most recent, with theirs added in 2010. Idaho, Nebraska and Wyoming are joining Kentucky in taking votes this year.

Two months after the election, the General Assembly will return for the 2013 Regular Session. With that in mind, I will soon pre-file legislation that will promote the use of sorghum as a source for ethanol. Our Agriculture Committee heard from someone earlier this year who has already set up a pilot project for this easy-to-grow plant. It has a high energy content and he said the ethanol can be made on the farm fairly easily.

If you have any questions about issues like this or others affecting the state, please don't hesitate to contact me.

My address is Room 332B, Capitol Annex, 702 Capitol Avenue, Frankfort, KY 40601. You can also leave a message for me or for any legislator at 800-372-7181. For the deaf or hard of hearing, the number is 800-896-0305.

I hope to hear from you soon.

Herb Clark

Herb Clark running for re-election as mayor of Butler

The mayor of the city. What city you ask? It really doesn't matter the city; it's the job we need to discuss. Being an elected official is in itself an accomplishment that some take very lightly. They accept the position halfheartedly and sometimes it shows in their performance.

The mayor's position is one of great responsibility. The person, who is elected or appointed to this position, should search within themselves to see if they really have the determination to succeed no matter what may come, but also seek to improve on those tasks and set a higher standard for their successor.

I want to be that elected official. My wish, no my prayer, is that when my time is over, my successor begins

his work and says what a privilege it is to follow this mayor. I know, while I may make some mistakes they will be a learning experience and only serve to make myself, as well as this position stronger.

Some may say that in an election the best person usually wins. Well, I say no matter who is elected, it's the people who should win. They should demand that the candidate prove to be the right choice.

I want to ask you, the people, to place your trust in me. I will continue to make you proud of not only me, but also the city and its Mayor.

A Kentucky Adventure by Leigh Anne Florence

Unleashed: Chapter 4

“Unbelievable!”
“Awesome!”
“Incredible!”

Everyone cheered, thrilled about completing our first zip-line ride, although I was still scared about having to make a confession.

“Uh, Miss Sam, I have something to tell you.”

“What’s wrong, fella?” Sam asked, as everyone looked frightened.

“You know when I was zip-ping really fast?”

“Yes,” Sam answered.

“Well, I, uh, don’t know how to tell you, uh ...”

“Spit it out, Woody.”

“I lost two apples, one grapefruit and a bowl of oatmeal!”

Everyone breathed a sigh of relief and then laughed.

“You aren’t the first to lose their cookies, Woody, and you won’t be the last,” Sam said, rubbing my head.

Dad was right – confession was good for the soul.

“OK, folks, let’s eat lunch,” Sam suggested.

We found a beautiful place in the gorge to eat our sack lunch.

Mom packed turkey sandwiches on whole wheat bread with lettuce and tomato for each of us.

Mom let us choose our own sides.

“Those pineapple slices look yummy, Chloe,” I said as my sister pulled out her side items.

“Thanks! I brought pineapple, carrots and yogurt,” she said.

“What healthy sides did you pack, Woody?”

“A few fruits and vegetables,” I answered, pulling out my watermelon jawbreakers and fried green tomatoes.

Everyone froze. I wish I’d packed enough for everyone.

“Hold it, junk-food junkie,” Sam ordered. “I hardly consider watermelon jawbreakers a fruit.

And the nutritional advantages of tomatoes were lost when they were fried. Pass it over, puppy.”

Obeying, I handed over my sides, hoping Chloe would share her fruit slices so I’d have something to go with my sandwich.

“Remember how we talk about eating a well-balanced diet of fruits, vegetables, dairy, meats and grains?” Dad asked.

“He’s right,” Sam said. “Studies prove that people who maintain a healthy weight stay well and live longer than those who are overweight. Diet and exercise also reduce our risk of diabetes, heart disease, high blood pressure and some cancers.”

“Here, eat this,” Sam said, handing us each a piece of a fruit I’d never seen. It was the size of an orange but the color was a deep ruby red.

“Thanks, but I’ll pass,” I said, turning up my nose.

“To develop healthier eating habits, you must expand your taste buds,” Sam said, echoing what our parents told us frequently. My parents looked at me as if to say, “I told you so!”

“During boot camp you will try at least one new healthy food each day. You don’t have to like everything,” Sam said, “but you do have to eat at least three bites. The fruit I’ve just given you is a pomegranate. It’s different from other fruits because the tastiest part is the seeds.”

We cut open the ripe fruit and dug out the crimson seeds. I held them in my paw, smelled them

and then popped one in my mouth. My mouth automatically puckered up at the tart fruit.

“Wow! These taste like a cross between Nerds and SweetTarts,” I said with fish lips.

“And to think you almost missed out because you were a scaredy-cat,” Sam said, teasing.

“OK, folks, kitchen’s closed,” Sam said as she rose from the table.

“Don’t forget to pick up the trash, pups,” Mom said, gathering up garbage. There was trash that wasn’t ours, but we picked it up anyway. Mom and Dad have always taught us that if everyone does what needs to be done, life runs more smoothly. After the trash was in the cans, Mom retrieved and read Rx 2 from Doc Albert.

Turn right onto Highway 11 and follow the highway until you reach Highway 15. Turn right on Highway 15 and drive for about 10 miles to Tunnel Ridge Road.

Another trainer named Pete will meet you at that intersection and give you further instructions.

“I hate to leave you pups, but my work is done,” Sam said as she hugged us. “You need to get going. Pete’s waiting. And Woody, so you know, Pete’s a guy,” Sam said, winking again.

We thanked Sam and told her we hoped to see her again.

“What will Pete have us do?” Chloe asked.

“It’s top secret,” Sam answered. “Just one little hint?” Chloe asked.

With that, Sam pretended that she had locked her lips and thrown away the key.

DEFENDANTS

* * * * *

By virtue of a Judgment and Order of Sale of the Pendleton Circuit Court rendered August 20, 2012, in the above action, I shall proceed to offer for sale at the Pendleton County Judicial Center at Falmouth, Kentucky, to the highest and best bidder at public auction on October 4, 2012 at the hour of 10:00 a.m., the following described property:
Property Address: 904 Woodson Road, Falmouth, KY 41040

Situated in the Frazier Subdivision, Falmouth, Pendleton County, Kentucky, and being a division of land lying on the north side of Woodson Road approximately 100.00 feet east of the junction with Barkley Street and being all the remaining part of Lots #70, 71, 72, and 73 as described in Deed Book 136, Page 372, of the Pendleton County Clerk’s records at the Falmouth, Kentucky office and is owned by Julia T. Jacob, a single person, and is bounded and described as follows:

From a spike set in the center of the Woodson Road at the junction of the center of Buckley Street north 71 degrees 15’ East, a distance of 92.93 feet to a set spike and North 8 degrees 19’ East, a distance of 16.84 feet to an existing pipe in the north right of way line of the said Woodson Road; said pipe being the real point of beginning; thence continuing North 8 degrees 19’ East a distance of 72.26 feet to an existing pipe in the north line of said original tract; thence with said north line South 82 degrees 48’ 50” East, a distance of 64.0 feet to a set iron pin; thence South 5 degrees 33’ West, a distance of 39.0 feet to a set iron pin in the north line of Woodson Road (a spike in the center of said Woodson Road bears South 5 degrees 33’ West, a distance of 16.84 feet); thence with the north line of Woodson Road, a line a distance of 30.0 feet north and parallel with said center line, South 71 degrees 15’ West, a distance of 74.0 feet to the point of beginning, containing 0.084 acre as per plat attached to prior deed, in accordance with a survey by Howard M. Johnston, KY. Land Surveyor, Reg. #1041, on May 11, 1978.

SAVE AND EXCEPT:

Being a tract of land lying in Pendleton County, along Woodson Road in Falmouth, and more particularly described as follows:

Beginning at a point in the north existing right of way line of Woodson Street, said point being located approximately 60 meters (197 feet) measured along the center line of Woodson Street west of the intersection of Woodson Street and US Route 27, and also being located at a point 8.861 meters (29.07) feet left of Woodson Street station 164+910.362 thence continuing with said existing right of way North 71 degrees 32 minutes 11 seconds East, 14.972 meters (49.12 feet) to a point 5.726 meters (18.79 feet) left of Woodson Street station 164+926.380, said point also being in the west existing property line of Donald and Eva Sue Kavanaugh; thence continuing with said existing property line north 08 degrees 30 minutes 39 seconds East, 0.998 meters (3.27 feet) to a point 6.672 meters (21.89 feet) left of Woodson Street station 164+926.677, said point also being in the proposed right of way line; thence continuing with said proposed right of way North 75 degrees 02 minutes 23 seconds East, 14.547 meters (47.73 feet) to the point of beginning.

The above described parcel contains 7 square meters (72 square feet).

This legal description also includes a 1997 MAN., New Con. Model, manufactured home, with serial number M0300252 that was converted to the real estate by surrender of the certificate of title number 051400960025 to the Pendleton County Clerk, via an Affidavit of Conversion recorded at Misc. Book 274, at page 418 of the Pendleton County Clerk’s office on November 23, 2005.

Being the same property conveyed by Kimberly Properties, LLC, a Kentucky limited liability company, to Catherine Belle Kavanaugh, a single woman, by deed dated November 10, 2005 and recorded on November 23, 2005 at Deed Book 274, Page 422 of the Pendleton County Clerk’s records.

This property is being sold to produce the sum of \$67,359.75, together with interest at the rate of 6.500 percent per annum from August 3, 2012 until paid; plus late charges, advances for taxes and insurance, and Plaintiff’s costs herein expended, including a reasonable attorney fee in the amount of \$1,150.00 and for any other fees expended for services performed in connection with the defendant’s default and for the purposes of protecting Plaintiff’s interest in the property and its rights under the mortgage instrument. The property shall be sold upon the following terms and conditions:

- 1) The purchaser shall be required to pay ten percent (10%) of the purchase price on the date of the sale, to apply on the purchase price;
- 2) The balance of the purchase price shall be due and payable, in cash or certified funds, within sixty (60) days from the date of sale;
- 3) The purchaser shall be required to execute a bond, with good and sufficient surety thereon for the unpaid balance of the purchase price, said bond to bear interest at the rate of twelve percent (12%) per annum from the date of sale, until paid;
- 4) The purchaser shall have the privilege of paying all or any part of the purchase price or paying said bond before maturity by paying the balance of the principal, together with all accrued interest thereon;
- 5) The purchaser shall be required to assume and pay any and all ad valorem taxes on the subject property for the current year, and all subsequent taxes;
- 6) The purchaser shall be required to purchase fire and extended coverage insurance on said improvements from the date of sale until the purchase price is paid in full to the extent of the court appraised value of said improvements or the unpaid balance of the purchase price, whichever is less, with a loss charge payable to the Master Commissioner of the Pendleton Circuit Court or the Plaintiff herein.
- 7) The subject property shall be sold free and clear of all liens and claims of any party to this action, except restrictions and easements thereon appearing of record in the Pendleton County Clerk’s Office, if any;
- 8) Possession of the subject property shall be given to the purchaser upon confirmation of Commissioner’s sale, and the Defendants or any persons claiming through them shall have vacated the premises by that time; and
- 9) Said property shall be sold subject to:
 - a) Assessments for public improvements levied against the subject property,
 - b) Existing zoning ordinances, statutes, laws or regulations;
 - c) Any facts which an accurate survey or inspection of the property may disclose.

Bidders will be prepared to comply with these terms.

Ladycat golfers, Miles and Hart make it to State

Six years ago, no Ladycat Golfer had ever qualified for the state tournament. That year, 2007, saw the Ladycats make their first and only team appearance with a second place finish.

Watching as a JV member of the Ladycats was seventh grader Maggie Miles.

Watching her older sister, Haley, who was a member of the Varsity team was Holley Hart, a JV Ladycat member.

Fast forward to last Monday and you had Maggie and Holley grabbing two of the four individual qualifying spots for the KHSAA State Tournament. That brings the total to one team (five spots) and 11 individual spots for the Ladycat Golf program over the past six years.

Maggie teed off first for the Ladycats and had a bit of bad luck as her drive caught the cart path, took a big bounce to the right and found out of bounds. Like a true golfer, she left that bit of bad luck behind her and plowed ahead. Her round of 87 tied for the second best regional round in school history. (Kristen Smith's 75 is the low regional round.)

Maggie finished fourth in the region, individually. It is the third highest regional finish by a Ladycat golfer. She returns for her second trip to the state tournament.

Holley Hart

Holley, like all season, was playing consistent golf hitting fairways and greens and taking pars with an occasional bogey mixed in. Then the eighth hole appeared. A tight driving par four. Holley found trouble and ended up with an 11.

But like Maggie, she put her head down, refused and had a strong back nine to come in ninth place in the region. The eighth highest region finish by a Ladycat golfer.

The Ladycats finished third as a team for the fifth consecutive year. Mason County ended the Scott County four-year run with a 353. Scott County's 366. The Cats fired a 375, the second lowest team score in regional competition.

They also missed out by sending two more individual golfers. Junior Ariel Ramsey, who finished 11th overall and had qualified for the KHSAA State Tournament.

Maggie Miles

ment. Holley, like all season, was playing consistent golf hitting fairways and greens and taking pars with an occasional bogey mixed in. Then the eighth hole appeared. A tight driving par four. Holley found trouble and ended up with an 11.

But like Maggie, she put her head down, refused and had a strong back nine to come in ninth place in the region. The eighth highest region finish by a Ladycat golfer.

And the Hart beat just keeps on going.

Midgets dropped to 2-3 with loss on last Sunday

The Midgets dropped to 2-3 with their loss on Sunday. The team got out of the gate slow but played a solid second half. The slow start may have been attributed to the youngsters first experience with artificial turf! Even after the game, several kids were still asking, 'Is this real grass?'

The lone touchdown came from a 61 yard run by Ethan Verst who benefited from solid blocking by his team. The offensive line was led by Landon Gravett who had an excellent game blocking up front.

The defense was led by Colton Turner and Mason Turner, who caused two Walton Verona fumbles. While they suffered the loss, the Midgets were the first team to score against Walton Verona's defense this season.

Landon Gravett was named player of the week. He had his best performance of the season by individually blocking on the offensive line against the largest defensive lineman for Walton Verona and didn't allow any penetration in the backfield. He played solid on the defensive line

as well, getting into the Walton Verona backfield on a couple of occasions and nearly taking the handoff from the quarterback.

The Mighty Pros over all we played a good game fought hard but still came up short, losing to walton 19-6. They played both sides of the ball well. Offense moved the ball every possession just wasn't enough to make a difference. Everyone did their job the way they were showed. The O-line held long enough to get the plays off, and played well. Tyler had several good blocks for Tredyn, Kinsy, and Drew. Tredyn ran in the only score of the day.

This week's player of the week is Kinsey Elliott. Kinsey had a really good day on offense, perfectly executing plays one after another. When the team most needed a tough first down, Kinsey was able to provide it.

This week's Powerhouse game between the 4 and 0 Walton-Verona Bearcats and the 3 and 1 Pendleton County Wildcats was a hard fought contest. The first half was a defensive battle with the Wildcats demonstrating textbook

punt defense. The Wildcats were able to recover two punts after being touched by Walton. This allowed the Wildcats to maintain the edge in the number of possessions in the first half. The first half ended with the score Walton eight and Pendleton six.

The second half started off with both teams scoring. The Wildcats were able to tie the score at 14 each in the third quarter. However, late in the game the Wildcats appeared to tire out. This allowed the Bearcats to score on consecutive possessions. At the end of four quarters the Bearcats came out on top 38 to 14.

A big shout out for player of the week, Steven Reinzan. The opposition's Number 74, a big defensive tackle for the Bearcats, was causing havoc in the Wildcat backfield until a change was made in offensive line assignments. Steven was moved to offensive tackle and from then on out Number 74 was not nearly the factor he was earlier in the game. Steven stepped up and took the challenge head on.

Montgomery Franks second overall

Montgomery Franks takes a tight turn in the Wildcats' Invitational at Sharp Middle School. Montgomery finished second overall in the varsity boy's division.

Ladycat volleyball heading to District

With the second most wins in region, a 17-8 record and a good season almost under wraps, coach Laura Buck has one focus left, 38th District Tournament that starts Tuesday, October 9 at Harrison County High School. The Ladycats drew the second best team in the district, Harrison County, in a first round matchup.

This weekend, the Ladycats got a chance to play at Harrison County participating in the Harrison County Fall Fling. In a

tough field, the Cats went 3-2 and finished fourth overall.

They stand undefeated, 4-0, in district play and hold a 3-0 sweep of Harrison County in a regular season match. But Harrison County with Jordan Doram is a tough team that can see her get in a rhythm and dominate.

But the Cats have been an even tougher opponent throughout the season led by seniors Sarah Schlueter, MacKenzie Horn, Brianna Crouch and Jennifer Owen.

The Cats traveled to Nicholas County is Monday, October 1 but results were not available at press time. The senior's last home game vs. Walton Verona with a tripeheader is Tuesday, October 2. The Ladycats finish the regular season vs. Dayton on Thursday, October 4.

Wildcats rout Royals, then drop two straight games

By: Sam McClanahan, Reporter
The Wildcats soccer team scored an easy win over Mason County early last week, but then went on to drop two in a row to fall to 7-11 on the season.

The 'Cats took on the Royals of Mason County, last Tuesday, September 25 and cruised to a 8-2 win. Senior Aven Harper, Northern Kentucky's leading scorer, continued to carry the team's offense by netting four goals while adding four assists. Seniors Travis Brinkman and Andrew Antrobus also scored along with junior Tony Sanchez. The eight goals marked the highest-offensive output by the club all season.

The 'Cats squared off against Boone County, last Thursday, September 27 and were knocked off 3-1. The Rebels entered the game with a four-game winning streak and boasted an 11-3 record entering the contest. The 'Cats played shorthanded as starters Tony Sanchez and Tyler Baker were injured and did not play for much of the game. The Rebels took a 2-0 lead into halftime and never looked back. Pendleton County came out in the second half and played more inspired soccer, but it wasn't quite enough. Aven Harper scored a goal to cut the deficit in half but the Rebels quickly answered back and went on to take the win.

The 'Cats concluded the week with perhaps their toughest challenge on the season, a showdown with longtime rival and region powerhouse Bishop Brossart. The Mustangs currently field one of the premier teams in the state and entered the game with a 10-game winning streak and an overall record of 15-1. Brossart has not lost a game since August 25. The 'Cats played without two starters (Sanchez and Baker) but hung tough with the Mustangs for the

first 20 minutes. However, when the Mustangs took the lead they were able to build off of the momentum and not look back. Brossart went on to defeat the 'Cats by a final of 5-0.

"We played well out of the gate but once they scored the momentum changed and we couldn't get back into the game," said head coach Lisa Feltnar.

"Brossart is an outstanding team that plays physical and also does a great job at possessing the ball and dictating pace. The main

goal for us going forward is to get our guys healthy and prepare for districts," she continued.

Senior MacKenzie Colvin, who has missed the entire season thus far due to injury, was recently cleared to return to action and his presence in the lineup will provide a huge morale boost to his teammates.

The Wildcats traveled to face Paris last night, October 1 but results were unavailable at press time. The club takes on Harrison County at 7:30 p.m., October 2.

Wildcat Golf just misses

With a good start, the Wildcats team started out strong and Senior Lane Weaver went birdie-par to begin their quest for a state tournament appearance. But an approximate 3-hour rain delay changed the course conditions and drained some of the momentum the Cats had teed off with.

Lane returned with a 3-putt bogey (his ball had landed in the middle of the green before the delay but spun back) from the front of the green and then incurred a weather-related penalty stroke that sapped even more of the emotion out of the senior golfer.

The Cats, though, battled back and put themselves in the front of the pack once their 18 holes were complete with a team finish of 358. Only the top three teams remained on the course, Bourbon County, Newport Central Catholic and Mason County.

And like the rest of the field, they were finding Houston Oaks in Paris was playing tough. Lane, who had finished with an 81, found himself with the 3rd low score in the clubhouse and grabbing that last individual qualifier position if the Wildcats' team score didn't hold one of the top two positions.

Unfortunately, it wouldn't. Bourbon County took the Region 8 team title on their home course

Cody Kirsch

with a team score of 333. Mason County would finish second at 340 with NCC in 3rd at 348.

Lane's 81 would place him 6th in the region behind two 78's by Parker Harris from Highlands (who won in a 1-hole playoff) and Zach Treilobs from Bourbon County. Unfortunately, an 80 shot by Colin Dubois of NCC claimed the 3rd individual spot and left Lane one stroke out of a playoff for the last KHSAA Tournament qualifying position.

Cross Country successful on home course

The Pendleton County Cross Country teams hosted eighteen schools on their home course on Saturday, September 29th. The rains throughout last week made for a wet and muddy course, however, many of the Wildcat runners did a great job. Lots of medals ended up around the necks of Pendleton County's runners.

Montgomery Franxman led the pack through most of the boys varsity race, but was overtaken in the final stretch and ended up with a 2nd place finish. Joshua Brown also medaled in the varsity race with an 11th place finish. The girls varsity team saw four of its members medal. Kylie Figgins earned 11th place, Xanthia Jansen earned 18th, Alexis Tolbert earned 19th and Susie Wright came in at 20th.

The JV runners ran a good race as well. Holden Wolfe led the team finishing in 8th place. Jamie Nugent also medaled with a 15th place finish. Kenton Wells

and Spencer Bay battled through the last stretch of the course, with Kenton achieving a 20th place finish with a .4 of a second time difference.

Boys middle school did very well on the home course too. Every member of the team achieved a new personal record time. Bryan Howell finished 11:16 and earned a second place medal. Ryan Hanser medaled as well with a time of 12:10 and a 10th place finish. Girls middle school continued the trend as all of its members earned new personal record times and every member of the team earned a medal. In the 3000 meter race, Brooklyn McKinney earned a 6th place medal followed by Amelia Franxman with a 7th place finish and Madison Meyer and Morgan Sorrell earning 13th and 17th place respectively. Summer Secrist and Shelby Shaefer ran in the 1600 meter with Summer coming in 2nd place and Shelby earning 13th.

Cross Country performs well at Scott

The boys and girls middle and high school teams traveled to the Scott Eagle Classic on Saturday, September 22. Boys Varsity gave a stellar performance with every member of the team achieving times under 20 minutes. Montgomery Franxman medaled with an eighth place finish and a new PR time of 17:14. Despite an injury, Joshua Brown also medaled with a new PR time of 17:41. The Boys JV team also continued to improve their personal times on the Scott course and many of the team members achieved new record times. Holden Wolfe led the JV boys and medaled with a 19th place finish.

Girls Varsity continued to

improve their times as well. Kylie Figgins led the pack with a new personal record of 23:13, followed closely by Xanthia Jensen with a 23:22 finish.

Several of the middle school team members were able to earn medals on the Scott course as well. Brooklyn McKinney led the girls team with a time of 15:41, earning an ninth place medal. Amelia Franxman and Summer Secrist also medaled with 16th and 17th places. The boys' middle school team gave it their all as well. Ryan Hanser led the team with a new PR time of 13:42. Also earning new personal record times on the team were eighth graders Zeke Bickel and DJ Jordan.

Sports pep rally successful at Pendleton County High School

By Bruce Reller, Jr., Reporter

Pendleton County High School held a pep rally in the high school gymnasium last Friday, September 28. PCHS was recognizing their fall sports athletes and their accomplishments this year.

The students really enjoy these pep rallies, and it gives them a chance to cheer for the teams and sit with their respective classes.

"The kids made up signs to represent their class," PCHS Assistant Principal Chad Simms

said. "They had a cheering contest and we had a game that involved the students verses the teachers."

Simms thinks the students get something out of the pep rallies. It gives them a chance to have some fun during the school day as well.

"The kids are able to take a moment to relax and cut loose a little bit," Simms explained. "I think they enjoy doing that."

Pendleton County recognized the Wildcat and Ladycat soccer and golf teams, the football, vol-

PCHS 2012/13 Volleyball Seniors - Mackenzie Horn #11, Brianna Crouch #7, Sarah Schlueter #12, Jennifer Owen #25 and Patricia Harrison #13.

Ladycats volleyball having great season

A wise man once said, "It is more fun to win!", and the Pendleton County Ladycats Varsity Volleyball team is certainly taking that to heart this season. With a current record of 17 wins and eight losses, they are ranked 2nd in Region 10 - a record that has never been earned at PCHS until this year. The Ladycats are excited to continue at this pace as they approach Districts and Coach Laura Buck, in her third year as Varsity coach, says, "The girls are strong and working together as a team."

Five seniors who always play to win are pictured above, having received first place at the Bracken County Glacier Invitational tournament last month - Mackenzie Horn, Brianna Crouch, Sarah Schlueter, Jennifer Owen and Patricia Harrison. Mackenzie Horn states that she has been excited all season. "This will be my last year playing with my 3 best friends. We've been playing together since 7th grade and have a lot of potential because of the chemistry on the Varsity team." Brianna Crouch and Jennifer Owen agree and say it is a "bittersweet feeling" as they face their last season together. Patricia Harrison left the team for a couple years but is happy to be back to share in the excitement. Sarah Schlueter agrees that this group of girls have a tremendous bond and she is excited to be in a leadership role as a senior. "We are playing

a very fast-paced game this year. Everyone should come out and watch one of our games! They would enjoy it!"

This past weekend, the Pendleton County Ladycats faced some stiff competition as they entered the Harrison County gym Saturday, September 29, 2012, at the Fillie Fall Fling. Pool play found them facing and winning against Madison Southern. Villa Madonna posed a bit more of a challenge as the Ladycats' opponents set low to the net to their middle hitter consistently. Next up, the Powell County match was neck and neck, going to three games, but the Ladycats were victorious, placing them in the Gold Division.

Anderson County was again some tough competition. Their height and stamina were to be reckoned with, but Pendleton County prevailed. Marion County proved too much after a long day and the Ladycats went home, taking the third place Gold.

Their season draws to an end this week with Nicholas County on Tuesday, October 2nd, at home - Senior Night festivities on Tuesday will be prior to the Varsity game at 7:30pm - and on Thursday, October 4th, they go on the road to face Dayton High School. Do yourself a favor and watch this dynamic team with record-breaking stats. This team is amazing!

Wildcats lose to Covington Catholic

By Bruce Reller, Jr., Reporter

The Pendleton County High School Wildcats football team lost on the road to Covington Catholic 70-0 last Saturday, September 29.

"Covington Catholic is a great team that is very well coached," Wildcat head coach Terry Brown said. "They play hard on both side of the ball, and I wouldn't be surprised if they go far in the playoffs."

Pendleton County (1-6) next heads to Highlands High School in Fort Thomas this Friday for another tough district match-up. "That is not an easy task for anyone in the state to do," Brown explained. "They are another great team, and I would say the favorite to win state again this year."

Brown continued, "Our goal as a team is to focus on what we do, get better each week, and go up to Fort Thomas with the attitude that we are going to play our game and show that we don't care who we play. We are going to play as hard as we can."

The Wildcats have set individual goals within the game, and they are looking to improve as a team. They want to walk away from the game knowing that they are not afraid to play anyone.

Pendleton County will probably be the huge underdog, but they are going to lay everything on the line, according to Coach Brown.

"I told our kids that sometimes you are faced with difficult battles in life and they you have two choices," Brown said. "You can go into battle with the mindset that you are already beat and give up or you can give everything you have, work your tail end off and walk away from the game with your head held high because you did everything you possibly could for your teammates."

He continued, "If you can say to yourself that I gave everything I could, you will earn respect from a lot of people and to me, respect goes a lot further in this world than wins and losses."

2013, won the cheering contest, and they were excited that they were the best group at the pep rally.

Look for more pep rallies at Pendleton County High School as the sports seasons continue throughout the school year.

Sharp Wildcats defeat Holy Cross

On Saturday night Pendleton County fans were treated to two entertaining middle school football games as Sharp played host to the Tichenor Trojans and Newport Central Catholic Game and squared off against Holy Cross in the night cap. Both games had playoff implications.

Tichenor and Newport Catholic were both 6-0 entering the game and Tichenor ended up defeating Newport Catholic 27-14 to remain undefeated. It was a well played game between two very good teams.

At 7:30 Sharp took the field against Holy Cross in a must win for playoff consideration following the Cats heartbreaking loss to Walton 26-24 the week before.

Holy Cross took the opening kickoff and drove it down the field with a balanced attack of runs, short passes and a successful fake punt play. The Indians scored on a long pass that was completed for a TD despite several Cats players in the vicinity. After the extra point the Indians lead 8-0.

It did not take long for the Cats to answer the challenge. On the first possession of the game the Cats began to drive the ball. Mike Dewald took a hand off from Austin Stull and blasted untouched through the Indians line for a 50 plus TD run. Mike Dewald put it in extra gear when feeling the pursuit from the Indians and scored going away. Daniel Sanders scored the extra point on a heads up play following a muffed snap when he ran it in for the score. At the end of the first quarter it was Holy Cross 8 Cats 7.

In the second quarter it was all Cats. The defense which played inspired football the whole game corralled the Indians and forced a punt. Austin Stull took the punt in heavy traffic and returned it for a TD. Mike Dewald split the uprights with the extra point conversion.

The Cats defense continued to dominate. On the next possession Austin Stull scored again and Mike Dewald kicked his second of three extra point giving the Cats a 23-8 halftime lead.

Coach Hornbeck commented that the second half was critical for the Cats due to the blown lead the previous week against Walton and the failed comeback when the Cats were stopped at the 1 yard line with 25 seconds to go. The Coaching staff spent the week emotionally charging the Cats and emphasizing the importance of putting an opponent away. "We did not want to have a second half let down."

The second half was dominated by the Cats defense who kept the Indians off the score board and the offensive line which has been the rock of the Cats team this year. The secondary played well and Jordan Smith had one interception and several other good plays in the secondary. Grif Appleman returned from his broken wrist and played well at the linebacker position. "We made continuous substitutions on the defensive line to stay fresh and it payed off." Austin Stull scored in the fourth quarter to put the game away and Mike Dewald made his third extra point kick of the game. Final score was 31-8.

Coach Hornbeck stated that the hard work has payed off for the Cats. "We have been working since April at the chalk board and on the field to implement the system put in place by Coach Brown and the varsity staff. They have supported us and mentored us through this process and our kids are executing an offensive system that the officials have told us some high school teams can not run. I see positive things for the Cats football program in the future."

The Cats have guaranteed their first non losing season in the six year history of the middle school program. With a win against Newport the Cats will have their first winning season and playoff birth in their history. "We are playing and competing against quality programs." Last year Holy Cross won by 19 points over the Cats.

Opportunity awaits any Pendleton County youth interested in playing in the football program.

Sunday school begins at 10 a.m., worship at 11 a.m. and 6 p.m.; Butler Rest Home at 10:30 a.m., Mondays; youth will meet at 7 p.m., first and third Wednesday, business meeting will be at 7 p.m. on the second Wednesday and prayer meeting at 7 p.m. on the third and fourth Wednesday.

Bro. Jamie Thornberry spoke on "faith," scripture, Joshua 14:5-15. There are rewards when we follow God's word. We are all different. God has a need for us all. When did you last ask God "what can I do for you, God?" Be a full-time Christian, not part-time or temporary. God gives us the courage to do His will. Do not let fear stand in your way. Jamie also shared His voice and guitar with "The Lighthouse."

Up-coming events: "Hayride and fall on the farm" at our shelter October 28. Practice for the Christmas play and cantata.

Prayers for our lost and lonely.

BLANKET CREEK

We had several guest this morning and we hope to see them back again next week. Bro. Joe's message "What God requires out of us" was taken from Micah 6:6-18. God wants us to do our best. That may not be as good as the way someone else does it, but as long as we do our best He is satisfied. He wants us to have mercy and love one another the way He loves us. He requires us to walk humbly. He is above us and we are beneath Him. He requires that we obey His commandments and not love anything more than Him. As the writer of this article, I just want to say that my heart was troubled today. During the invitation I could feel the Holy Spirit moving in the church, yet no one came forward to place their faith and trust in God. However several ask for prayer and although none of us know who they were I ask you to join us in praying for those people.

Prayer list: Bobby Johnson and Phil Young and family. The families of Raymond Trent, Stella Mains and Carl Butcher.

Kevin Richardson from Sunrise Children's Services will be our morning speaker, October 7, and Dr. Bill Smithwick also from Sunrise will bring our evening message.

BUTLER BAPTIST

Brother Daryl's sermon was from Colossians 1:9-12. The purpose of prayer is for us to grow in knowledge of God so that we can walk stronger. We need to pray to know God's will for our life. Nothing in our life should be outside the will of God. We need to actively seek His will in every aspect of our life. We need to practice the will of God. We do this by being committed to being fruitful in doing good works and growing in knowledge. We need God's power to do His will. We can not do it alone in the flesh. There is great joy gained in knowing God and His will for our life. If we pray for someone every-day, we could become the person God wants us to be. We praise God that Sklyar Higgenbotham accepted Jesus today.

Covington Diocese planning Catholic members census

Covington Diocese planning census of Catholics in rural NKY counties beginning in October.

How many Catholics live in Pendleton County, one of the 14 counties making up the geographical area known as the Diocese of Covington? Where do they live? The Catholic churches within the diocese are trying to find out by taking a census, the first in nearly 75 years.

Every organization needs facts and figures to help it make important decisions, for the present and the future. The Diocese of Covington, led by Bishop Roger Foys, is planning for the future. Should a new church be located closer to where more Catholics live? Is a new school needed, or should a current school building be remodeled or expanded? A census will help answer those questions, and many others.

Boone County, one of the fastest growing in the whole commonwealth of Kentucky, was chosen for the first phase of the census project. In October 2010 pairs of volunteers representing the six Catholic churches in the county walked throughout their neighborhoods. They greeted their neighbors, asked questions and gathered basic information. If a person indicated that he or she attended a church or congregation of another denomination, the information was sent on to the other congregation, as a courtesy. Because the project was so large, some Catholic churches in Boone County used additional Census Sundays in early 2011.

Last October the census moved to Campbell and Kenton counties. Again, hundreds of volunteers, wearing a special name tag, from Catholic parishes fanned out across the two counties, with a goal to knock on each front door.

Now we are getting into the third phase, the remaining 11 counties in the diocese, including Pendleton.

The census project is an all-volunteer effort. The two-person volunteer team that visits your home belongs to your neighborhood Catholic church. They have taken some "basic training" in greeting you and gathering some information about your church affiliation. Our visitors will not quiz you about your religious beliefs or try to "convert" you and your family to the Catholic Church — our goal is simply to gather information.

We have contacted leaders of other religious denominations and asked them to inform their congrega-

FALMOUTH BAPTIST

It was another great week of worship at Falmouth Baptist Church. Bro. Cohen's message challenged us to think about "What are we willing to give?"

John 6 tells of a small boy who gave his lunch, five loaves and two small fish. With God's blessing, that it was able to feed 5000 people. When we look at a situation we see the problem, but God already has a plan. In Luke 21 we were reminded of the poor widow who gave all she had. It was not how much she gave that pleased God, but it was that she was willing to give it all. Perhaps we should consider increasing our giving-whether of money, time or talent. There were many other examples of generous giving shared with us. Christ gave Himself for us. What have we given for Him? We have Jesus and we need to give that to others!

FALMOUTH CHRISTIAN

It's getting that time of year again when you have to bring out the jackets and prepare for the fall events. Our one fall event is the Kentucky Wool Festival which is coming up next weekend. We have a booth called the "Sundae Shoppe" where you can buy your favorite ice cream or have a piece of our delicious hot fudge cake. Yum! Yum! It is good! Come out and join the fun!

Brother Rick's message this past week came from the book of John 3:1:21, "Born Again." God sent his only son into the world to die for us so that through his death we could be saved. Do we love one another enough that we would let an angry crowd take our only child and allow Him to be crucified so that the very ones who killed him could have eternal life? Well, that is just what God did for each and everyone of us. Never forget.

Michael Moore and Rosie Blau

were united in marriage on September 22. Our best wishes to them.

The choir opened the service with a beautiful song "I asked the Lord" followed by Brother Wayne Keith who brought us our special music service. He and the choir did a great job.

Our mission trip to the Galilean Home is October 12 where a quilt auction will be held for the benefit of the home.

Old time hymn sing will be at 6 p.m. on October 13. Churches from the whole surrounding area will be represented. A special love offering will be taken to support Amanda Bruin who is teaching in Honduras. Come, join us! Remember all those with special needs and pray for them daily. We have Sunday school at 9:30 a.m. and church at 10:45 a.m. Your presence would be welcomed. Have a blessed week!

FALMOUTH METHODIST

Andy Warhol once remarked that everybody would be famous for fifteen minutes. But after the fifteen minutes is up, what then?

Everyone wants to be somebody. Children want to be popular at school or in the neighborhood. They need to have the right bike or the right clothes to make the right impression. When children grow into adulthood, they often confuse their identities with their jobs. They're farmers, or teachers, or in sales. But who are they when they retire?

When we lack a sense of our true identity, we become vulnerable; we may lose our self confidence and self esteem. Sometimes we must simply remind ourselves that our lives are worth the effort of living. We need to tell ourselves: I am somebody! I am somebody!

It's a message well worth remembering. You are somebody, and God loves you just because you are. It's as simple as that.

FIRST BAPTIST

Blessings! Chris Beckett sang "How Great Thou Art" for special music this Sunday. Bro Harry's message was taken from John. We don't have to look too far for hope when we feel hopeless. Jesus is our hope for the future. Some people aren't happy because they aren't satisfied. They will never find satisfaction, until they find God. We are all sinners and must thirst for God's word. Once we allow Jesus in our life, His love will flow from our hearts for others to see.

Pray for everyone in need of hope, peace and love.

We have started our collections for "Operation Christmas Child" and our "Military Christmas Care" packages. Our collection boxes will be in the front entry hall until the middle of November. Give generously from your heart.

"Pray about everything, worry about nothing."

HARVEST

Faith is a total dependence on God and a willingness to do His will. It is not something we use to put on a show for others. It is complete and humble obedience to God's will, readiness to do whatever

"So that with one accord you may with one voice glorify the God and Father of our Lord Jesus Christ."

The youth had a great time last Saturday evening camping out at the Pavilion with 17 in attendance. Booth set up Wednesday evening at the Wool Fest grounds at 6 p.m.

Prayer concerns: Libby Martin, Michelle Caldwell, Megan Wood Ramsey, Pat Lemmon, Sam Marion and Doris Carr.

Visit with us at the Wool Fest this week. Services at 111 E. Shelby Street will be cancelled as we will worship at 8 a.m. Sunday on the grounds, following with a delicious country ham breakfast to celebrate Bro. Dale's birthday! Be our guest!

MORGAN CHRISTIAN

Scripture, I Corinthians 13 and John 13: 34-35.

The scripture tells us to love one another, but by all the many different denominations there are, we seem to disagree more than we love. We hear a lot of talk about love from the pulpit. Talk is cheap, but genuine love starts in the heart. God calls us to love one another no matter how we look. Love is powerful and can accomplish many things. It depends on what kind of love we have, a selfish love or the kind of love God has for us.

We thank Bro. Ed Salerno for being with us this month until our new pastor, Charla Gilbert could be with us.

We had our big domino game the September 22. Estille won first place and Lois won second.

Thanks to Kathie for the terrific job she does with the children's moment. It's time for everyone to start thinking about our shoebox project for this year. We have several in our congregation who really need our prayers.

Please pray for them and our military and our country.

MT. CARMEL

The men on mission will be assisting those who were involved with this year's Kentucky Changers on their follow-up project. The project is that of making two beds for needy kids in our area. This will be done in October.

The fall semester for small groups will begin this week. The topic's are: prayer, marriage and God. The information and sign-up sheets are on the platform.

The Associational Brotherhood has scheduled a trap shoot for October 6. This shoot will be at the picnic area of Pleasant Green Baptist Church and will be at noon.

If you are looking for a church home we would love to have you. We invite you to visit our website www.themc-bc.com

MT. MORIAH

In the book of Acts in the Holy Bible, Chapter 4:36, we hear of a man named Barnabas. His name means, "Son of Encouragement." An encourager is one who dispenses courage to those who are weak or fearful. We should strive to be encouragers daily. There is much fear in our society in 2012. Allow God to use you this week as a person to encourage others! "Seeking empties a life while giving fills it."

NEW HOPE

America is preparing for an election very soon. Many Christians are debating what role faith plays in politics. The Bible does speak about the Christian's role with the government. The Christian is to pay taxes they owe (Roman 13:6-7). Christians are to obey the laws unless they contradict the Word of God (1 Peter 2:13-14). Each Christian has the duty to pray for their leaders (1 Timothy 2:1-2). The followers of Christ are called to honor our leaders (1 Peter 2:17). Finally, Christians are called to evangelize their leaders if they have the opportunity (Acts 26). These are just some of the responsibilities that Christians have and we should take our responsibilities seriously.

NEW ZION

If you are looking for a place to worship come join us on Sunday. Sunday school starts at 10 a.m., morning worship at 11 a.m. and evening service starts at 6:30 p.m. Bible Study is at 7 p.m. on Thursdays.

Thanks to everyone who helped to make the hot hog roast such a success and praise the Lord for the beautiful fall weather! It was perfect. "I will praise thee, O Lord, with my whole heart; I will shew forth all thy marvellous works. Psalm 9:1

Upcoming opportunities: There will be a WMU and deacons meeting at 6 p.m. on October 7. Ordination Service for David and Timmy at 3 p.m., October 14. Harvest Party and hayride at 1 p.m., on October the 21.

Please remember in prayer Angie Hemphill, Mike Russell, Sally Robinson, Tammy Chapman, Allie Wages, Travis Heart, Emily Hull, Dalton, Valerie Echel, Jimmy Cummins, Janet Bishop, Mary Sue Courtney, Eudell Hall, Wanda Spencer, Donna Hobbs, Leslie Warner, Earl West, the Keeler and Priest families and all of our military men and women. Also remember to pray for our country and its leaders.

OAKLAND CHRISTIAN

I can't say enough about our recent Lord's Day. Our afternoon and evening was our "Happy Trails" at the farm of Jim and Sherry Fields. Lots of good food on the wagon, fun and fellowship in the afternoon. The concert by "Majestic Sounds" was such a wonderful blessing and a great way to end the day.

J.O.Y. builders class will be having services at the Butler Nursing Homes, September 30.

Wool Fest is fast approaching, October 5-7. Oakland will have a food booth again this year.

Oakland Christian Workers meet October 9 at church.

Our sympathy to the loved ones of Stella Mains, Charlie Powell, and Carl Butcher. Other prayer concerns include Bobby Johnson, Don Wagner, Rufus Bex, Charles Lee Ramsey, Janice Wolfe, Bev Bass, Mary Doan, Mindy Redden, Edna Brown, Michelle Caldwell,

Margaret McCann, Hilda Angell, Renee Fardo, Hazel Jones, shut-ins, armed forces, and our leaders.

SOUTHSIDE

We opened the morning service, on September 23, with the hymn, "We have come into His house." Brother Clay Sullivan preached the sermon, "Starving and thirsty for righteousness" from Matthew 5:6. Jesus Christ is the answer to being satisfied. The memory verse for the week comes from John 6:35, "Then Jesus declared, 'I am the bread of life. He who comes to me will never go hungry, and he who believes in me will never be thirsty.'" Amen!

Southside Church of Christ will be hosting a "Revival" on October 25-27 at 7 p.m. Mark your calendars, and plan to be there!

Please be in prayer for Libbie Martin, Gene Flaughter, Tina Arevalo and the family of Carl Butcher.

Come and worship with us this Sunday at 9 a.m. Sunday school and 10 a.m. worship service. Have a great day!

TRINITY

The fellowship hall is bouncing with excitement with all the upcoming events. Our kids are living up the hall each Sunday night as they enjoy learning God's word, new songs, and games together through our Awana program. Our youth are working hard preparing for Youth Sunday as they lead our services on Sunday, October 28. We want to thank all the helpers that dedicate their time each week to help out. Our "How to get to know your Bible" study each Wednesday night at 6:30 p.m. helps us learn and grow while we enjoy each other's company and expand our knowledge to prepare us to be ready to live as God would want us to live. October is coming up quickly, as we are preparing for our annual Thanksgiving dinner; we decided that we will serve the community through a community outreach dinner on October 19. Come join us at Trinity.

TURNER RIDGE

Sunday, September 23 we welcomed a new season as we started our service with the hymn, "Sweet, sweet spirit." Take the time to welcome the Spirit into your life this season.

The children's message "Our spiritual compass" was led by Uncle Dale. A compass helps us find our physical way, God's word, the Bible will help us find our spiritual way.

Raven Koettel read scripture from I Corinthians 6:19-20. The choir sang "He touched me and Bro. Dale's message was from Acts 1, "The Holy Spirit." The message went into a deeper explanation of how we need to physically acknowledge the spiritual need, God is waiting to help, but we have to ask him in to our hearts. We will then carry the Holy Spirit with us and by empowered to share with others. After accepting Christ as your Savior, it is an act of obedience from the scripture to follow in baptism.

Join us next Sunday and get filled with the Spirit!

Calculating Hay Supply

The arrival of fall is an important time for livestock producers to assess their winter hay supplies. Kentucky forage and livestock producers made a lot of hay this September, and for much of the state, hay supplies should be adequate for winter feeding. However, in areas of Western Kentucky that experienced a longer, more extensive drought, some producers may have supply issues.

With the majority of this year's hay made, now is the time to determine whether you have enough to get your animals through the winter. Determining this is not difficult. Here's how to get a fairly accurate estimate.

1. Estimate the number of days you'll feed hay this winter. In a normal year, Kentucky producers average 120 days (from Dec. 1 until March 31) of feeding hay. This will vary depending upon your situation. Some producers in Western Kentucky never really stopped feeding hay this year, due to the drought.

2. Determine the amount of feed your animals will consume each day. Cattle and horses consume an average of 2.5 percent of their body weight every day. To determine this, multiply the average animal's weight times 0.025 (2.5 percent) and multiply that by the number of animals you plan to feed.

3. Multiply the products of No. 1 and No. 2 together. This will give you a good idea of the approximate pounds of hay you'll need for the winter.

4. Take three or four hay bales to a facility with a scale, such as the local feed store. Take the bale's average weight and multiply that by the number of bales you have. Compare this number to the

amount you need.

5. You also need to allow for storage and feeding losses, and adjust your hay supplies to cover these losses. If you store your hay outside, your losses may be more than 50 percent. A 50 percent loss would mean that you need to double the amount of hay you calculated is needed to feed your animals.

Before feeding hay, you should have it tested for nutrient content and toxins. The Kentucky Department of Agriculture's Forage Testing Program can help you determine if your animals are truly getting the nutrition they need or if you need to supplement the ration to maintain your animals' body condition. You can reach the KDA at 1-800-248-4628.

A one-two punch of overgrazing in many fields during the 2010 drought followed by an extremely wet 2011, resulted in johnsongrass taking hold in pastures where it's never been before in 2012. A warm-season annual, johnsongrass has the potential to cause cyanide poisoning in ruminants. Make sure hay coming from a field containing johnsongrass is completely dry before feeding it to your animals. Thorough drying will allow any potential cyanide threat to dissipate. If you want to use a field with johnsongrass for grazing, wait at least two weeks after a light frost, three days after a killing frost or until the johnsongrass is completely dry before you allow the animals to graze the field.

For more information about cyanide poisoning and hay supplies, contact the Pendleton County Cooperative Extension Service.

SHELLEY MEYER, 4-H/YOUTH DEVELOPMENT

Making the most of Halloween

As holidays go, Halloween ranks as one of the big events of the year. Over time, Halloween celebrations have changed, with a definite shift away from costumed kids walking through neighborhoods after dark with little to no supervision to the current emphasis on organized fall festivals and trick-or-treating during designated hours in business, community or downtown centers. This change also lessens the emphasis on over-eating, since organized activities and sports, such as archery, are now part of some community festivities.

4-H plays a pivotal role in helping youth enjoy a safe and successful Halloween. Here are some tips:

Costumes, however spooky, creative or outlandish, must be safe. Be sure the costume has large holes so the child can see where he or she is going and breathe easily. Length, fit and comfort will make a costume more enjoyable, especially when worn for an extended period. Costumes should be flame resistant. Make sure any props are lightweight and safe. A princess weighed down by her wand or a knight in shining armor whose armor weighs a ton may be miserable and even sore well before night's end.

An adult or responsible older sibling should accompany children to supervise and monitor them throughout the entire evening. Pay particular attention when trick-or-treating through neighborhoods, keeping an eye out for any unsafe or wayward behavior from other groups you may encounter. Carry a flashlight, wear reflective clothing so your group is visible, and stay

close together.

Discuss appropriate behavior for children during Halloween celebrations, making a clear distinction that while spirits may run high, displays of vandalism and hooliganism are inappropriate. Also be sure children know to be courteous and polite when accepting treats. "Please" and "thank you" are never inappropriate, and in fact, are necessary. Good manners upon receiving treats reward the investment the host has made to make the holiday special.

Candy overload can be avoided by placing less emphasis on accumulating the biggest pile during trick-or-treating and more on other activities, such as pumpkin-carving and social activities and games.

Remember that an adult should look over candy to ensure that it is safe before it is eaten. After you have carefully inspected the candy, offer your ghosts and goblins the opportunity to trade in pieces of candy for coins or a toy. Even Halloween treats should be eaten in moderation.

For more information on enjoying a safe Halloween, contact the Pendleton County Cooperative Extension Service.

KY Saves' Piggy Bank Contest

Saving money is important no matter your age, especially with an economy that is much like a roller coaster. Kentucky youth can learn the importance of saving money by participating in the Piggy Bank Design Contest. The contest is a way for the youth of Kentucky to display their creative skills to their county and potentially the state, while becoming more aware of how to build wealth and reduce debt. The Piggy Bank Design Contest is the youth component of Kentucky Saves. Kentucky Saves Week begins Feb. 24 and ends March 2. Contestants will begin the competition at the district level, where a panel of judges will pick the top two entries from the extension district. Judges will choose the two winners based on originality, creativity, artistic design and attractiveness. The winning piggy banks from each district will have their design put on display in

February at the state Capitol rotunda in Frankfort.

As a new addition this year, all 14 district winners will receive a \$250 scholarship from the Kentucky Higher Education Assistance Authority and the Kentucky Education Savings Plan Trust. These scholarships will be awarded in the form of a KESPT college savings account.

The deadline for entries is Dec. 3. Youth wishing to enter the contest must be kindergarten through 12th-grade students at any Kentucky public, private or home school.

To receive an entry form and contest rules concerning the Kentucky Saves' Piggy Bank Contest visit <http://www.uky.ag/moneywise> or contact the Pendleton County Cooperative Extension Service. More information about the Kentucky Education Savings Plan Trust can be found at <http://www.kysaves.com>.

Ky. Cover Crop Cost-Share Program

The Pendleton County Conservation District is sponsoring the local cost share program for Pendleton County Landowners, to help with the cost of cover crop wheat and/or rye cover crop seed. It's time to think about cover crops! In recent years there has been a decline in the use of cover crops, since crops such as tobacco, silage corn, or even vegetable gardens are harvested late in the season. However, without the winter cover, the soil is left to the mercy of wind, snow, water and ice. Remember also to be in compliance with your FSA (Food Security Act) Conservation Plan, you must sow your cover crop by the end of November. USDA recommends a rate of 90 pounds per acre. Cover crop is a vital component to your farming operations.

Cover crops benefit both the soil and the subsequent nitrogen, recycle nutrients, provide grazing, reduce compaction, suppress weeds and pests, utilize excess soil moisture and improve water infiltration.

This is the sixth (6) year that the Conservation District has set aside money to

fund this program. After you have finished sowing all your cover crop, bring your receipt to the district office and fill out a short application. The district will pay 50% of the total cost of the cover crop wheat/rye seed that you used, up to maximum of \$100 per landowner.

The receipt from the seed dealer must be made out to you with the amount of and kind of seed you purchased along with the total price. The Conservation Board meets on the third Tuesday evening of each month and will approve the applications received. A check will be mailed to you. One application per landowner will be accepted and only one check will be issued.

The program is now underway and will end on December 31, 2012 or when the allotted funds have been depleted. Again this is for Pendleton County Landowners only!

For more information call 859-654-3376, ext. 3 or stop by the office at 814 US 27 South, Falmouth, Monday-Friday, 8 a.m. to 4:30 p.m.

Tree seedlings for sale, order now

It's that time of year again to order tree seedlings from the Kentucky Division of Forestry. Start making plans now to get your choice of seedlings and plan your planting time.

Two things to remember: seedlings are only shipped in January, February, March and April and you can now order in bundles of 10 or 100 seedlings. You specify the month you want your seedlings to arrive.

You may call the Pendleton County Conservation District at 859-654-3376, extension three or stop in our office at 814 US 27 South, Falmouth, during regular

business hours to get an order blank/price list form. You may also call the Kentucky Division of Forestry at 1-800-866-0876 for detailed information about any variety.

Tree seedlings are reserved on a first come, first served basis. The Kentucky Division of Forestry says that orders are coming in fast, don't delay, order today!

I have 10 loaves of bread rising and daughter Susan is mixing two batches of ranger cookies. The cookies are being made to take along to church services on Sunday. She'll probably end up mixing another batch so we will have some to keep for ourselves. The boys picked the tomatoes last night and didn't even get a five gallon bucket full. Looks like they are slowing down fast. If I do get more I would like to make a batch of pizza sauce to put in jars. I still have plenty of green peppers so I could still use those. I went with husband Joe to see a doctor after he came home from work. He has been feeling very sick the last few weeks with wheezing, coughing, sinus congestion. After putting in our hay it seems to be worse. He wears a mask to cover his mouth and nose to put in hay but it still bothers him. The doctor told Joe it was allergies and the start of bronchitis. He prescribed an inhaler and medication which will help him get over this. This is starting to keep him awake at night so he finally decided it was time to see a doctor. He will be working five day weeks so he

needs to keep his energy level up.

Loretta went back to school on Tuesday and it went very well. She seems worn out in the evenings, though. She has a lot more patience with the cast than I would have. Her feet and legs get itchy and she can't scratch them. I still remember when I was young and had a broken arm. After a few weeks the arm would start itching and you couldn't scratch beneath the cast. I thought back then it was very miserable.

Loretta really tries to do a lot for herself without our help. To get into bed she puts her wheelchair up to the bed and braces it. Then she puts her cast on the bed and scoots herself on the bed. By getting out of bed, she slides backward into her wheelchair. She has also figured out how to get her wheelchair to the toilet so she can go to the bathroom without help. She is determined to get better.

Saturday our new Amish neighbor Joas and Susan and three daughters biked over to see Loretta. She was glad for their company. Sisters Verena and Susan came over for a few minutes to see how her surgery went. Neighbor Susan brought us apple

fry pies and a pumpkin roll from her bakery. That was a treat for us since I didn't get any baking done that week. They operate a bakery where they used to live and will gradually move it over to their new home. Their daughters are the same age as our daughters and they seem to have made friends quickly.

Daughter Elizabeth started working in the cabinet shop area of the trailer factory this week. Her job had been to do the caulking around the windows and wherever it was needed. Her hand broke out in a rash so bad, they think she was allergic to something she was working with. It was pretty painful but it seems to be clearing up now.

I will share my pizza sauce recipe with you this week:

INGREDIENTS:

- 1 1/2 bushel tomatoes
- 4 garlic cloves
- 3 pounds onions, sliced
- 2 green peppers
- 5 hot peppers
- 1 cup vegetable oil
- 12 3 ounce cans of tomato paste
- 1 cup sugar
- 1 1/4 cup brown sugar
- 1 tablespoon sweet basil

- 1 tablespoon oregano
- 3 tablespoons pizza spice
- 1 1/2 cup salt

Pizza Sauce

DIRECTIONS:

Cook tomatoes, garlic, onion, and peppers until soft. Put through sieve. Add vegetable oil and cook 30 minutes. Add tomato paste, sugar, and seasonings. Simmer until it boils and thickens a little. Put in jars and seal and this makes 24 pints.

USDA announces Hispanic and women farmer claims

Agriculture Secretary Tom Vilsack announced the Hispanic and women farmers and ranchers who allege discrimination by the USDA in past decades can file claims between September 24, 2012 and March 25, 2013.

The process offers a voluntary alternative to litigation for each Hispanic or female farmer and rancher who can prove that USDA denied their applications for loan or loan servicing assistance for discriminatory reasons for certain time periods between 1981 and 2000.

As announced in February 2011, the voluntary claims process will make available at least \$1.33 billion for cash awards and tax relief payments, plus up to \$160 million in farm debt relief, to eligible Hispanic and women farmers and ranchers. There are no filing fees to participate in the program.

The Department will continue reaching out to potential Hispanic and female claimants, around the country to get the word out to individuals who may be eligible for this program so they have the opportunity to participate.

Call center representatives can be reached 1-888-508-4429. Claimants must register for a claims package (by calling the number or visiting the website) and the claims package will be mailed to claimants. All those interested in learning more or receiving information about the claims process and claims packages are encouraged to attend meetings in your communities about the claims process and con-

tact the website or claims telephone number.

Website: www.farmerclaims.gov
Phone: 1-888-508-4429 Claims period: September 24, 2012 - March 25, 2013.

Independent legal services companies will administer the

claims process and adjudicate the claims. Although there are no filing fees to participate and a lawyer is not required to participate in the claims process, persons seeking legal advice may contact a lawyer or other legal services provider.

NOTICE TO THE PUBLIC

The Special Education Department, of the Pendleton County School System, is hereby giving notice that all Special Education records of students born in 1988 and 1989 will be destroyed on October 30, 2012. If you do not want your Special Education records destroyed, you must request that they not be destroyed BEFORE October 29, 2012.

Pendleton Champions campaign for smoke free campuses

The Pendleton County Champions Coalition needs your help with gathering data. This month's billboard focuses on 24/7 smoke free campuses. As a coalition we understand community members have an opinion. What Champions need is to hear your opinion. Your opinion on welcoming or not welcoming the 24/7 smoke free campus thought can be shared on our Facebook page or by tweeting us. Champions have also set up an email account for those who do not want their opinion publicly shared with all of the social media responders. The email is pencochampions@gmail.com.
Why 24/7 Smoke free campuses?
1. According to the Center for Disease Control (CDC) and Prevention smoking and smokeless tobacco use are initiated and established primarily during adolescence. More than 80% of adult smokers begin smoking before 18 years of age. Additionally, adolescent smokeless tobacco users are more likely than nonusers to become adult cigarette smokers.
2. Each day in the United States, approximately 3,800 young people under 18 years of age smoke their first cigarette, and an estimated 1,000 youth in that age group become daily cigarette smokers.

3. The CDC also identified risk factors associated with youth tobacco use that includes:
• Use and approval of tobacco use by peers or siblings
• Lack of skills to resist influences to tobacco use
• Smoking by parents or guardians and/or lack of parental support or involvement
• Accessibility, availability, and price of tobacco products
• A perception that tobacco use is the norm
• Low levels of academic achievement
• Low self-image or self-esteem
• Exposure to tobacco advertising
• Aggressive behavior (e.g., fighting, carrying weapons)
4. Smoking typically precedes other drug use. Among youths who have used both cigarettes and marijuana by the 12th grade, 65 percent smoked cigarettes before marijuana; and 98 percent of those who had used both cocaine and cigarettes smoked cigarettes first.
The earlier a person uses tobacco, the more likely they are to experiment with cocaine, heroin or other illicit drugs. Those who start smoking as a child are three times more likely to use marijuana and four times more

likely to use cocaine than those who do not smoke as children. In addition, more than half of all persons who start smoking before age 15 use an illicit drug in their lifetime, compared to only a quarter of those who do not start smoking until they are beyond age 17 -- with those who start smoking before age 15 are more than three times more likely to use cocaine. And those who start smoking before age 15 are seven times more likely to use cocaine than those who never smoke cigarettes at all. According to the Substance Abuse and Mental Health Services Administration, U.S. Department of Health and Human Services, Summary of Findings from the 1998 National Household Survey on Drug Abuse, August 1999.
5. A recent report of the U.S. Surgeon General concludes that coordinated, multi-component interventions that include school-based policies and programs are effective in youth tobacco use reduction.
Your opinion matters! We will be gathering public thoughts for the next several months so we can share the view of our community with decisions makers.
Let us hear your thoughts. Help us make a difference.
